

The Great Hearts Greater Good fund is an annual campaign which covers the gap between what we need to deliver the Great Hearts educational model to our students at our schools located in low-income neighborhoods and what we receive from public funding. Gifts to the Great Hearts Greater Good Fund are vital to providing our scholars the education they deserve to become Great-Hearted leaders, regardless of their socioeconomic background.

We are pleased to thank the following donors who were generous supporters of our Great Hearts Greater Good Fund from July 1, 2017 – August 1, 2018.
